MIT'S Radio 90.8 CR recently conducted its first field interview (recording) with the renowned Garimella Balakrishna Prasad, a T.T.D Asthana Vidwaan and Ahobhिलamatam Asthana Vidwaan. The interview was a significant milestone for the station, as it marked the first time that they had interviewed such a high-profile artist.

Garimella Balakrishna Prasad is a celebrated Carnatic musician known for his mesmerizing voice and his ability to bring out the true essence of Carnatic music. The interview was conducted at his residence in Tirupati, where he welcomed the team from MIT'S Radio 90.8 CR.

During the interview, Garimella Balakrishna Prasad shared his experiences and insights on the world of music. He talked about his musical journey and the challenges he had faced in his career. He also shared his thoughts on the importance of promoting and preserving traditional music and encouraging young musicians to take up this art form.

The interview was conducted in a friendly and relaxed atmosphere, and Garimella Balakrishna Prasad was happy to answer all the questions put to him. The team from MIT'S Radio 90.8 CR was impressed by his humility and his willingness to share his knowledge and experience with them.

After the interview was complete, the team from MIT'S Radio 90.8 CR thanked Garimella Balakrishna Prasad for taking the time to speak with them. They also expressed their gratitude to him for sharing his insights and experiences, which they believed would be of immense value to their listeners.

The field interview with Garimella Balakrishna Prasad was broadcasted on MIT'S Radio 90.8 CR in a special program, where listeners were able to enjoy his music and appreciate the talent of this great musician. The program was well-received, and it received positive feedback from the listeners.

Overall, the first field interview of MITS Radio 90.8 CR from Garimella Balakrishna Prasad was a significant achievement for the station. It demonstrated their commitment to promoting local talent and providing quality programming to their listeners. The station looks forward to conducting more such interviews in the future.
