**Participants:** MCA Department Faculty Members

**Time:** 5:00 PM to 6:00 PM

**Venue:** Seminar KKB 201

**Mode of Conduct:** Offline

The Department of Computer Applications organized a seminar on *Research and IPR Awareness Program* for faculty members on November 6, 2024, from 5:00 PM to 6:00 PM in KKB201. The session was delivered by **Dr. P. Sivaiah, Associate Dean-R&D, Madanapalle Institute of Technology & Science, Madanapalle (MITS)**.

The event commenced with a welcome speech by **Dr. Prabhakaran**, Research Coordinator, MCA. Dr. P. Sivaiah addressed the gathering, providing insights into research methodologies, the significance of Intellectual Property Rights (IPR), and various patent filing processes. The session also covered ethical guidelines in research, plagiarism awareness, and publication strategies.

Participants actively engaged in discussions, clarifying doubts regarding patent filing, copyright, and research funding opportunities. The session concluded with a **vote of thanks** by **Dr. Srinivasan Jagannathan**, expressing gratitude to the management, faculty members, and participants for making the event a success.

### Objectives of the Event:

- To create awareness about Intellectual Property Rights (IPR) in research.
- To educate researchers about plagiarism and ethical research practices.
- To provide guidance on research paper writing and publication.
- To highlight the importance of patents, copyrights, and trademarks in academic research.

### Outcomes of the Event:

- Participants gained knowledge on the importance of IPR in research.
- Awareness about ethical guidelines, including plagiarism prevention.
- Understanding the process of identifying research gaps and writing research papers.
- Insights into patent filing and protecting intellectual property.
- Motivation among faculty and students to engage in research activities.
