Incentive Policy for Research Publications

1. PREAMBLE

'Madanapalle Institute of Technology & Science' (MITS) is committed to the pursuit of excellence in research and aims to achieve international recognition through interdepartmental and inter-institutional collaborative research programmes across the spectrum of Science, Engineering and Technology. As an Institute, MITS has already extended flexi hours towards creating a research environment where teaching staff will have more flexibility to work at their own pace on their research as well as publications as per their convenience and to further encourage Faculty members to publish quality Research papers.

2. SCOPE OF THE POLICY

The policy applies to all the Staff, Students and Research Scholars working in the Institute.

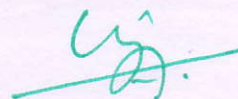

3. OBJECTIVES

The primary objective of the proposed incentive scheme is to motivate the employees / Students / Research Scholars of the Institute to enhance quality research and other related activities.

4. GENERAL PRINCIPLES OF THIS POLICY

These principles shall apply as given below:

- Categories-A to E, are applicable to only unpaid journals.
- However, Nature Communications is a paid journal, the incentive amount shall be as per Category-A only.
- Published paper must have 'Madanapalle Institute of Technology & Science' as the affiliation.
- It is the responsibility of the faculty member to produce evidence of having published paper in the refereed journal and the impact factor of the journal. He / She must produce a printed copy of the SCOPUS ID showing addition of journal or other evidences.
- The research related documents (papers /book chapter/ books) published between 1st July of the current year to 30th June of the succeeding year will be considered for incentives.
- The Published Research Article must be available in electronic form.
- There shall be no limitation of number of authors and papers.
- Indexing of the journal in the Scopus database should be valid at the time of evaluation by the research advisory committee.

- Only published articles with volume/issue/page numbers shall be considered.
- If any MITS employee's publication(s) are found with affiliations other than MITS, then it will be viewed as a violation of research ethics and appropriate disciplinary action may be taken against such individual/group.
- Dual affiliation is accepted with proper justification given by the Author.
- Faculty availed SEED Grant are not eligible to claim the publication incentives for the articles published as the outcome of the SEED Grant.
- In case of any discrepancies with respect to the incentives, the decision of the Research Advisory Committee shall be final.
