

DISABILITY SUPPORT OFFICE

Madanapalle Institute of Technology & Science (MITS) is dedicated to the development of an inclusive and accessible environment for all students. In order to allow students with disabilities to make progress in their education and continue on the pathway to education, the Disability Support Office (DSO) exists to support students with disabilities by ensuring that they have access to opportunities to learn, develop and succeed without barriers. The DSO provides appropriate academic and infrastructural supports to students with physical, sensory, learning and other disabilities. Its mission is to encourage independence, confidence and full participation in academic and campus life.

Our Objective:

Support to students is the central aim of our Disability Support Office - they want to create a safe, supportive and barrier-free learning experience. Its purpose is to ensure that education becomes the province of all, that students have a sense of belonging, to enable them to reach their academic and personal goals.

Support and Services:

To meet the needs of students, the Disability Support Office offers a variety of services ranging from an extended period of time during tests, to alternative modes to evaluate students and assistive technology as a means of learning. The office also has accessible infrastructure including ramps, lifts, and barrier-free pathways throughout the campus. Students are supported through counseling support, mentoring, and routine follow-ups that help them address their academic and personal needs. And they do that not only supporting the faculty but also work with the faculty to support instructional practice inclusiveness.

Inclusive Campus Environment:

MITS cultivates a culture of diversity on its campus. Routine awareness drives and sensitization courses have been carried out to encourage understanding and help those people with disabilities.

Grievance Support:

The school offers a confidential, safe channel for students to discuss issues of access or bias. All problems are dealt with promptly for an inclusive and respectful atmosphere so there is an encouraging atmosphere for everyone.

Commitment to Equality.

MITS's mission is to never subject any student to a disadvantage due to a student's disability. The Disability Support Office is looking to enhance facilities, services and policies to provide a truly inclusive campus for all.
