Title: *University-Specific Private Scholarships for Master's Programs Abroad*

By-student Welfare Cell

An awareness session on “**University-Specific Private Scholarships for Master's Programs Abroad**” was organized for the benefit of students aspiring to pursue higher education overseas on 23/02/26. The session aimed to provide detailed insights into scholarship opportunities offered directly by foreign universities.

The resource person for the session was **Mr. Muralikrishna Puranam**, Director, MS Abroad Overseas Education, Tirupati. He delivered an informative and engaging presentation highlighting the various funding options available for Master's programs in countries such as the United States, United Kingdom, Germany, Canada, and Australia.

He also clarified common misconceptions regarding scholarship eligibility and emphasized that scholarships are not limited only to rank holders but are available to students with a strong overall profile and clear academic goals.

The session was interactive, with students actively participating and raising queries related to application timelines, documentation requirements, and country-specific opportunities. The speaker provided practical guidance on shortlisting universities and aligning specialization choices with scholarship prospects.
