CHANCELLOR'S RESEARCH SUPERVISION AWARD (CRSA)

Recognizing Excellence in Research, Publication & Ph.D. Completion

1. Preamble

The Chancellor's Research Supervision Award (CRSA) is instituted to promote a strong culture of high-quality research, scholarly publication, timely Ph.D. completion, and effective dissemination of research outcomes at MITS Deemed to be University.

The scheme shall recognize and reward Research Supervisors for demonstrable research achievements that enhance the University's research quality, visibility, impact and academic reputation.

The scheme shall operate in accordance with the MITS Deemed to be University Ph.D. Regulations, research integrity requirements in addition to the applicable UGC Regulations.

2. Objectives

The Chancellor's Research Award Scheme aims to:

- 2.1 Encourage publication of high-quality research in internationally reputed journals.
- 2.2 Motivate Research Supervisors to actively mentor, support research scholars towards quality research outcomes which promote timely and successful completion of Ph.D. programs.
- 2.3 Encourage research scholars to communicate their research effectively through the Three-Minute Thesis (3MT) Challenge which encourages their presentation skills.

3. Award Categories

The Scheme shall have the following three categories:

Category A - Publication Excellence Award

Category B - Ph.D. Thesis Completion Award

Category C - Ph.D. 3MT Challenge Award

3.A CATEGORY A- Publication Excellence Award

Maximum incentive amount of ₹50,000/- shall be awarded to the **Research Supervisor** for an eligible research publication arising from research conducted under his/her supervision which as tabulated below.
