INDUSTRY CONNECT PROGRAMME "INNOVATIONS AND CAREER PATH"

Organized by Placement Cell, Date: 02-08-2014

Report:

The Placement Office organized an Industry Connect program entitled "**Innovations and Career path**" for B.Tech students on 02.08.2014 in our college. The Industry professionals visited the institution were

- Mr.Suresh Tanneru –Manager-Operations-TCS, Hyderabad
- Mr.Kiran Teja-Hyderabad
- Mr.Balaji Pulli- IBM-Hyderabad

Targeted Audience – Third Year B.Tech Students – ECE & CSE

The visited industry professionals interacted with all the senior faculty (HODs & Deans) in the presence of principal and vice principal and shared their experiences and expectations of the industry on fresher's (particularly on IT and ITES sector) and also they interacted with the Dean R &D and Dean RRC in the evening on collaboration in the establishment of virtual Incubation facility for the students. Feedback from students was collected and the students collectively requested for more sessions like this in the future.
