

ANNEXURE – 63

Closed-Circuit Television (CCTV) cameras is an effective approach for maintaining the safety and security of students and staff. In this context, 220 numbers of CCTV cameras are installed at various locations covering lecture halls, faculty cabin, library, auditorium, playground, corridors, walkways, etc. in the college premise. There are monitors displaying the footage in the office of Vice-Principal (Administration), Security officer and security control office for timely and effective monitoring.
