Note (1) The Account of the additional leave admissible to Government servants in superior service under the provisions in rule 9 should be worked out as and when necessary and maintained in a subsidiary account.

Note (2) Period of Transitory Leave taken should be noted in Col. 27 for Remarks.

Note (3) The entries in Col. 10 & 11 should indicate only the beginning and end of completed years of service at the time the half commences. In cases where a Government servant completes another year of service while on half - pay leave the extra credit should be shown in Col. 10 to 14 by making suitable entries and this should be taken into account when completing in Col. 26.

Note (4) Whenever transition from one fraction to another takes place the credit at the stage should be rounded off to the nearest day. I.e. Fractions below Half should be ignored and those of half or more should be reckoned as a day.
