The cause of indulging in ragging is deriving a sadistic pleasure or showing of power, authority or superiority by the seniors over their juniors or freshers.

In addition, students should be cautioned that the moment they indulge in ragging they would have a bleak future inasmuch as they would not be entitled 'to get a passport or visa to go abroad, if a case is registered in the Police Station or if their academic records are tainted with black marks.

(24) If the commission of offence is so serious they may be restrained from participating in national and international meets, tournaments, youth festivals, quizzes and so on.

(25) Failure to prevent ragging shall be construed as act of negligence in maintaining discipline in the institution on the part of the management, the principal and the persons in authority of the institution. Similar responsibility shall be liable to be fixed on hostel warden/superintendents.

(26) Incentives and rewards shall be given for those who actively participate in measures for curbing the menace of ragging. Punishment for the offenders should be balanced by some incentives for non-offenders and those who help check the menace of ragging.

(27) The offence of the ragging is not only punishable under section 4 of Andhra Pradesh Prohibition of Ragging Act, 1997 but also under various provisions as envisaged in the relevant section of the Indian Penal Code 1860 (Act 45/1860) and as per the specific directions to be given to the police officers for taking cognizance of such offences and criminal activities given by the authorities of the Police Department given from time to time.

(28) Ragging is cognizable offence. The same may be reported to the police. However, the police should be called in or allowed entry in the campus at the instance of the head of the institution or the person in charge. The police also deal with such incidents when brought to its notice for action by keeping in mind that they are dealing with students but not as criminals. The action of the police should never be violent and always be guided by correctional attitude.

(29) The above guidelines are only illustrative and are not intended to come in the way of institutions and authorities devising ways and means to curb the ragging.
