After thorough discussions and deliberations, the members approved the Structure / Syllabus of the II Year MCA Program (R22) Regulations with following suggestions / modifications:
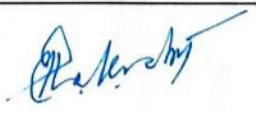

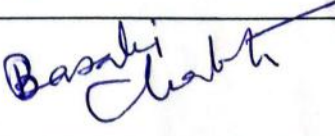

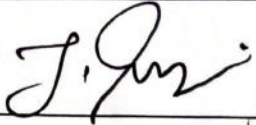

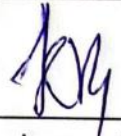

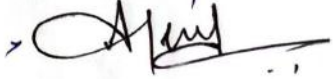

Recommendations:

1. In MCA II Year I Semester, the external members suggested that Syllabus content for the Core Course "Data Science" needs to be updated. Based on the changes in the Theory Course the experiments in the "Data Science Laboratory" need to be modified appropriately.

2. In MCA II Year I Semester experts suggested that Syllabus of Unit III and Unit IV in "Java Programming" course needs to be modified. Based on the same the experiments in the course on "Java Programming Laboratory" have to be rearranged and modified.

3. In MCA II Year I Semester, the Panel Members suggested that Discipline Elective II Course titled "Web Programming through PHP" needs to be replaced with some advanced course on Web Technology. Based on these inputs, the internal members finalized to introduce a Course titled "Advanced Web Development".

4. In MCA II Year I Semester, the experts suggested that Discipline Elective III course titled "Augmented Reality" needs to be replaced with "Generative AI".

The meeting concluded with Vote of Thanks proposed by Dr. C. Sivaraj, Assistant Professor, MCA Department.
