7. Dr. Rajangam - Member.

Minutes of the Meeting

1. MOOCs / NPTEL courses can be taken from the

Core or discipline electives list as and when required as offered by the NPTEL. However if it is not available in NPTEL, JDC can conduct meetings and based on the availability in NPTEL, any advanced course relevant to the discipline can be taken.

2. Lecturing and motivation from the industry experts / alumni ~~to~~ are needed in regular intervals for making the students aware about the opportunities available outside and to make them confident to take up jobs.
3. Since the students are coming from rural areas, they are weak in communication and forms a major problem even in writing in the exams to convey the answers. In this regard, English communication training course should be given more importance and mould the students ready for placements as well.
