Minutes of Meeting for Second BOS Meeting held on 30.07.2024.

Dr. S. Padma, Head of CSE (AI&ML), welcomed all members to the Second Board of Studies meeting and the agenda points were discussed in detail.

- The Course Structure for the II Year B. Tech CSE (Networks) was unanimously approved by all the members.

The following recommendations were provided by the expert members:

- Dr. Somitra Sanadhya noted that the current allocation of 2 hours of lecture and 1 hour of tutorial is insufficient for covering the courses on Automata Theory and Compiler Design as well as Advanced Data Structures and Algorithms Analysis. Additionally, he recommended assigning a 3-hour laboratory slot for the Data Science using Python course.
- Dr. P. Malliga and Dr. Somitra Sanadhya requested to share the course structures for the III and IV year B. Tech CSE (Networks).
- Mr. Anandan Shanmugam suggested the inclusion of courses on DevOps, Cloud Computing, Network Security and Cryptography in future semesters.

The external members appreciated the efforts taken in designing the R23 curriculum pertaining to B. Tech CSE (Networks). The meeting concluded with Vote of Thanks proposed by Dr. S. Padma, HoD Department of CSE (AI & ML).
