5. Dr. Rajendra prasad Naune - Member
6. Dr. R. Rajkumar - Member
7. Dr. Pradeepkumar Dixit - Academic Expert.  
Prof., MSRIT Bangalore 

## Minutes of the meeting

- PEO's and PO's attainment of the 2013-2017 batch and previous batch should be taken as reference for the planning and construction of classes and curriculum content.
- As none of the students are gate qualified, GATE coaching need to be strengthened.
- Make provision for practical oriented learning and introduce summer internships in the curriculum itself.
- Major project can be divided into two semesters for making the students more serious about the projects and give importance to real time problems while selecting the topics.
- Encourage the students to take up projects beyond the curriculum for making them fit for industry / R & D.
- A faculty can be assigned to interested students to work on real time projects for making their work focused.
