**A. Suggestions on B. Tech. – Structure (R-23)**

1. No Changes suggested in Structure of B. Tech EEE II year I & II sem.
2. Pre-requisites for the courses need to be cross verified.
3. Professional Electives offered should be regrouped in terms of Electrical and Electronics related baskets.
4. Introducing the Design thinking course in second year and Product development course in 3-2 year.

IAAB authorizes the chairperson and IDC for making appropriate changes.

Dear HoD-Electrical,

**Following subjects are missing in professional core, these subjects are important for electrical and electronics students.**

1. Electronics devices and circuits ,
2. Signal and System and Signal and System Lab
3. Digital Signal Processing and Digital Signal Processing Lab
4. VLSI Design and Technology

**Note:** Theory and corresponding lab sessions are in the same semester, It is very difficult to understand the concept when they are performing experiments. Kindly relook in to it.

**Note: If possible introduce the Design thinking course in second year and Product development course in 3-2 year.**

Thanks & Regards  
Dr. T. Vinay Kumar
