After through discussions and deliberations the following aspects are finalized:

Review and Finalization of Course Structure and syllabi for MCA IInd Year

Recommendations:

1. In MCA II Year I Semester, Core Course "Introduction to Data Science" title need to be replaced with "Data Science".
2. In MCA II Year I Semester, Discipline Elective-II "System Security" Course was advised to change to "Biometric Security". Members suggested to change the course "Image Analytics" to "Video Analytics".
3. Members Suggested to provide assignments for Discipline Elective courses in order to provide practical exposures.
4. Members Suggested to keep animation related contents in the syllabus instead of conventional mathematical graphics principles in Computer Graphics and Multimedia Course in Discipline Elective-II.

The Second Year Course Structure and detailed syllabi for MCA Program under R20 is finalized.
