

MADANAPALLE INSTITUTE OF TECHNOLOGY & SCIENCE

(UGC - AUTONOMOUS)

The Department of English & Foreign Languages owns a multi media lab and two Activity rooms, with the purpose of giving students the opportunity to improve their skills. The Multi media Lab equipped with 64 systems, an LCD screen and projector, deals with cloze tests, Error Correction, Reading Comprehension, listening and speaking activities etc. The Activity Rooms equipped with LCD Screen and projector as well as white boards, focus on the third year students, preparing them for Group Discussion, Oral Presentations, Resume writing and Mock Interviews.

The labs are brought into use on a daily basis. The faculty of English, besides dealing with the first year students also train the Second year students for Speaking and Listening as well as for BEC- Business English Certificate from the University of Cambridge, UK.

Young India Films' **CLARITY SNET LANGUAGE LAB** (1 Teacher+ 60 Students) **software** with English content namely **Clarity English Success** was purchased by MITS 2013. Later in 2017, the college purchased the Cambridge software that has a detailed and structured step by step learning, involving the students by using a highly pedagogical, interactive Multi-Media Content, allowing the students to learn at their own pace. It has inbuilt self-assessment/self-evaluation tools to measure the level of learning and progress.

Students are trained on Grammar, Reading, Listening, Writing, Speaking and Pronunciation. Soft skills and Personality Development program has Writing Emails, Resume Writing, Team Work, Group Discussion, Communication Skills, Time Management, Body Language, Public Speaking, Interview Skills, Telephone Etiquette, Attitude, Leadership, Presentation Skills and Interpersonal Skills.
