Report on
Human Immunodeficiency Virus Awareness Rally
Organized by NCC & NSS Cell
1st December 2017

Submitted by: **Dr K V Raaju – NSS Programme Officer, MITS**

World AIDS Day is dedicated to raise awareness of the AIDS pandemic caused by the spread of HIV infection and to mourn those who have died of the disease. Government and health officials, non-governmental organizations, and individuals around the world observe the day to educate people on AIDS prevention and control.

As of 2017, AIDS has killed between 28.9 million and 41.5 million people worldwide, and an estimated 36.7 million people are living with HIV, making it one of the most important global public health issues in recorded history. Thanks to recent improved access to antiretroviral treatment in many regions of the world, the death rate from AIDS epidemic has decreased since its peak in 2005 (1 million in 2016, compared to 1.9 million in 2005).

All the NCC cadets and NSS volunteers assembled before the admin block at 4 pm and went on a rally with slogans on the prevention of AIDS. People were told not to discriminate the patients of HIV and were advised to pity them and to encourage them in taking medicine and treatment. The rally reached Angallu and created awareness among the villagers. In this event 110 NSS Volunteers and 350 students are participated and Angallu village 700 families got awareness
