EVENT-1

BASICS IN ROBOTICS

DATE: 2017-2018

Venue: MITS

Event details: Theoretical knowledge is not enough to a student to enhance their technical skills. So, we conducted an event regarding basics in robotics which held at robotics lab in MITS. Students participated well. After conducting this event we took feedback from them and they answered that they decided to continue this field for the remaining semesters which may help them a lot in their projects and personal interests too.

EVENT-2

AWARENESS ON IOT (INTERNET OF THINGS)

DATE: 2017-2018

Venue: MADANAPALLE INSTITUTE OF TECHNOLOGY AND SCIENCES (scale-up lab)

Event details: As part our technical activity I along with all the members of TECH club conducted an awareness program on today's technology IOT (INTERNET OF THINGS). We planned this event in college scale-up lab with providing power point presentation. A huge response got from the students as well. College faculty S .Victor Vedanayakam sir supported to have this event successful.
