MITS Social Responsibility Club (MSR) organized a MITS Radio Station Awareness Program on 20th December 2025 as part of its continuous efforts toward community engagement and rural development.

WELCOME ADDRESS

The program was conducted in nearby villages of Madanapalle with the primary aim of creating awareness about the MITS Community Radio Station and its role in disseminating useful educational, social, and public welfare information to rural populations. In rural areas, access to digital platforms is often limited, making radio one of the most effective and accessible communication tools. Recognizing this, the MSR Club took the initiative to educate villagers about the importance of community radio and how it can serve as a reliable source of information and social empowerment.

OBJECTIVES OF THE PROGRAM

The main objectives of the MITS Radio Station Awareness Program were:

- To create awareness about the MITS Community Radio Station among rural communities.
- To explain the role of community radio in spreading educational, health-related, agricultural, and social information.
- To encourage villagers to actively listen to and participate in community radio programs.
- To strengthen the connection between the institution and the surrounding rural society.
- To promote social responsibility and outreach activities among student volunteers.

During the awareness program, MSR student volunteers interacted directly with villagers and explained the concept and functioning of the **MITS Community Radio Station**. The volunteers described the various types of programs broadcast through the radio station, including:

- Educational programs for students
- Health and hygiene awareness talks
- Agricultural guidance for farmers
- Information on government schemes and social welfare initiatives
- Programs focusing on women empowerment, youth development, and local culture

The team explained how community radio gives a voice to local people and allows them to share their concerns, experiences, and ideas. Pamphlets and verbal explanations were used to ensure clear understanding among villagers of all age groups.

The villagers actively participated in the discussions and showed great interest in learning about the radio station. Many residents shared their views and asked questions regarding the timing of broadcasts and types of programs aired. The interactive nature of the session helped build trust and encouraged villagers to see the radio station as a useful and reliable source of information. The program created a positive impact by improving awareness and motivating the rural community to make use of community radio services.

Vote of thanks

The program concluded with a vote of thanks delivered by **Mr. B.S.H. Shayeez Ahamed**, Faculty Coordinator of the MSR Club. He expressed his sincere gratitude to the **MITS Management and Principal** for their constant encouragement and support. MITs Social Responsibility Club [MSR] organized an flashmob on **Drunk and Drive Awareness** for the Academic year **2025 - 26** at MITs on **07.03.2026** (Saturday) from 4:00 pm to 05:30 pm. On the occasion of **ASHV 2k26**.

WELCOME ADDRESS

The welcome address was delivered by Mr. B.S.H. Shayeez Ahamed addressing the students who have gathered there to promote awareness on Drunk and Drive. And had talk with local police to provide safe environment while doing the flashmob at 4:10 pm and further continued.

Following the welcome address,

The participants have gathered at the venue (Open Auditorium). Firstly, the participants of the Flashmob Team have performed their performances and all the students who are watching enjoyed a lot. After the performance, Founder and Chancellor of MITs, Dr. Vijaya Bhaskar Choudary, addressed the gathering and extended his heartfelt congratulations to all the students who participated and performed. He appreciated their dedication, creativity, and teamwork, highlighting the effort they had put into making the event a grand success. He encouraged the students to continue nurturing their talents alongside their academic pursuits.

Furthermore, he emphasized the institution's commitment to supporting student growth beyond the classroom. He mentioned that, in the near future, the management is planning to provide internship opportunities to help students gain practical exposure and industry experience. In addition to this, he also stated that course completion certificates would be awarded to the choreographer in recognition of their guidance, effort, and contribution to the successful execution of the performance.

After the speech of the Chancellor, an awareness skit on drunk and drive was performed by the MSR Club volunteers. The skit was thoughtfully designed and delivered a powerful social message highlighting the serious consequences of driving under the influence of alcohol. Through impactful dialogue, realistic acting, and well-coordinated performance, the students were able to effectively capture the attention of the audience and create a sense of responsibility towards road safety. The presentation not only entertained but also educated the viewers, emphasizing the importance of making safe and responsible choices.

The performance received great appreciation from Dr. C. Yuvraj, who applauded the students for their initiative in spreading awareness on such a crucial issue. He appreciated their confidence, teamwork, and the meaningful message conveyed through the skit. He also encouraged students to actively participate in such activities that contribute to societal well-being.

Following the welcome address,

The participants have started the rally from sapthagiri circle to clock tower of Anantapur. The rally is done about 1 & half kilometer. The rally is filled with continuous slogans on road safety and traffic awareness. The rally was started at 4:30 pm and continued until 5:00 pm ensuring that every person on the road and nearby surroundings have clear picture on the main theme of the rally.

After the rally, at 5:00 pm the students have gathered to perform the flashmob. After two songs the MSR club volunteers have gathered to perform skit on the road awareness and the importance of helmet during driving.

After the heart touching skit performance by MSR club volunteers, the audience started to clap as they have involved in the skit completely. The main aim of skit is to spread awareness on Drunk & Drive and helmet importance, and the awareness was spread successfully. The flashmob was completed at 5:30 pm.

After the heart touching skit performance by MSR club volunteers the audience started to clap as they have involved in the skit completely. The main aim of skit is to spread awareness on road safety and helmet importance, and the awareness was spread successfully. The flashmob was completed at 5:30 pm.

After the wonderful skit, the MSR CLUB volunteers and flashmob participants gathered to promote the ASHV 2K25 by showing various banners of various events.

Vote of thanks

Finally, at 5:45 pm, Mr. B.S.H. Shayeez Ahamed, faculty coordinator of MSR club, delivered the vote of thanks, expressing his gratitude to all the student volunteers and participants for making this event worthful. He also expressed his impressive thoughts on importance of wearing helmet while driving. And thanked the police for cooperating so much and for their unparallel support throughout the flashmob and rally. Our hearts filled with lots of emotion and our souls felt lifted.

Our sincere thanks to MITS management, principal for supporting and encouraging us to do this type of events

The rally was started at 4:10 pm and continued until 4 :30 pm ensuring that every person on the road and nearby surroundings have clear picture on the main theme of the rally.

After the rally, at 4:30 pm the students have gathered to perform the flashmob. After two songs the MSR club volunteers have gathered to perform skit on the drunk and drive awareness.

After the heart touching skit performance by MSR club volunteers the audience started to clap as they have involved in the skit completely. The main aim of skit is to spread awareness on road safety and helmet importance, and the awareness was spread successfully. The flashmob was completed at 5:30 pm.

After the wonderful skit, the MSR CLUB volunteers and flashmob participants gathered to promote the ASHV 2K26 by showing various banners of various events.

Vote of thanks

Finally, at 6:00 pm, Mr. Pradeep, faculty coordinator of Arts and Culture club, delivered the vote of thanks, expressing his gratitude to all the student volunteers and participants for making this event worthful. He also expressed about the impressive thoughts on importance of not to drink and drive. And thanked the police for cooperating so much and for their unparallel support throughout the flashmob. Our hearts filled with lots of emotion and our souls felt lifted.

Our sincere thanks to MITs management, principal for supporting and encouraging us to do this type of events
