Subject: Requesting permission to conduct a Technical Talk on “Game Development” - Reg.

Respected Sir,

We would like to organize a **Technical Talk on “Game Development”** on 19-09-2025 by **MITS Tech Club**. It is designed to equip students their knowledge and skills related to design a Game and find the new way to grow their skills towards Game development. So kindly I request to grant me permission to organize this event and also request you to provide appreciation certificate to the resource person in institutional letter head. It would be a huge favour to the students.

Thanking You

Yours Sincerely

(D. Abdul Jaleel)

Tech Club Coordinator

Place: Madanapalle

Date: 18.09.2025

*Submitted to the V.C Sir
Request may be
considered
18/9/25*

Respected Sir,

*Kindly give us permission
to conduct the said above
event*

Gratefully

The MITS Tech Club has organized “**A Technical Talk on Game Development**” as the inaugural event for the Academic Year 2025-26 on 19.09.2025 (Friday) at 10:00 AM to 12:00 PM. Madanapalle Institute of Technology & Science (MITS) Tech Club has organized a technical talk on *Game Development* under the banner of the MITS Student Activity Center (SAC).

The Programme started at 10:00 AM with a welcome address to all the dignitaries, resource person and the participants by **Ms. Naga Nandini Mungara, Tech Club Student Coordinator**.

Mr. D. Abdul Jaleel, Assistant Professor, Dept. of CST & MITS Tech club Coordinator has briefly enlightened the importance of the clubs, benefits of joining in the Tech club and he has announced the new Tech Club student Coordinators. The **Student Activity Center (SAC) Coordinator Dr. G. Hemantha, Assistant Professor, Dept. of ECE** has shared her thoughts on importance of clubs and encouraged students to join different types of clubs.

Dr. K. Dinesh, HOD, Department of CST heartily invited Resource person for the Technical Talk. He gave few words about the event and thanked organizers and participants for conducting this event.

The session was delivered by **Mr. V. Naveen, Assistant professor, Department of CST**, an expert in the field of game development. He started the session by extending his hearty thanks to the participants, organizing members, HoD, Principal, and Management of MITS Madanapalle for allowing him to share his knowledge and experience. He highlighted the fundamentals of designing and developing interactive games, the role of coding and graphics, and the importance of creating immersive user experiences. The resource person also discussed industry trends and the vast career opportunities available in the gaming sector.

After the expert talk, the student coordinators presented a project demo that they had developed during their **40-day internship at NITTTR, Chennai**. They explained how, at the beginning of the internship, they felt uncertain but gradually gained knowledge about Unity and Game Development.

The session aimed to enhance students' technical knowledge, creativity, and problem-solving skills, bridging the gap between academic learning and industry requirements in the gaming.

Totally 77 Students participated enthusiastically by asking questions and seeking guidance on various tools and technologies used in game development. The talk provided valuable insights into real-time challenges and encouraged students to explore innovation and creativity in the gaming domain.

The event concluded with a vote of thanks by **Mr. Mushtaq Ahamed Syed, Tech Club Student Coordinator**. Faculty members and participants appreciated the **Student Activity Center (SAC) and Tech Club**, making the program a successful knowledge-sharing initiative of the MITS Tech Club.

Outcome of the Event:

- ✓ Students have gained the fundamentals of designing and developing interactive games, the role of coding and graphics.
- ✓ Students have got the curiosity to learn more about game development technologies.
- ✓ Students gained awareness about the Unity game engine and its features.
- ✓ Participants understood the career scope in Game Development, AR/VR, and simulations.
- ✓ Students learned about internship opportunities and the importance of self-learning.
- ✓ The project demo by student coordinators inspired peers to take up practical projects.

Subject: Requesting permission to conduct a One-day Hands-on Training on "LaTeX" - Reg.

Respected Sir,

We would like to organize a **One-day Hands-on Training on "LaTeX"** on 23-09-2025 by **MITs Tech Club** under **Student Activity Centre - SAC**. This event is designed for **M.Tech students** to equip the students with the knowledge and skills required to write a research article in **LaTeX Tool**. Therefore, I kindly request your permission to organize this event and also request you to provide an appreciation certificate to the resource person on the institutional letterhead. This initiative would be a great benefit to the students.

Thanking You

Yours Sincerely

(D. Abdul Jaleel)

The MITS Tech Club has organized “A One-day Hands-on training on LaTeX Tool” on 23.09.2025 (Tuesday) at 10:00 AM to 5:00 PM. Madanapalle Institute of Technology & Science (MITS) Tech Club has organized *A One-day Hands-on training on LaTeX Tool* under the banner of the MITS Student Activity Center (SAC).

The Programme started at 10:00 AM with a welcome address to all the dignitaries, resource person and the participants by Ms. Naga Nandini Mungara, Tech Club Student Coordinator.

Mr. D. Abdul Jaleel, Assistant Professor, Dept. of CST & MITS Tech club Coordinator has addressed the gathering for this event. The Student Activity Center (SAC) Coordinator Dr. G. Hemantha, Assistant Professor, Dept. of ECE has shared her thoughts on importance of clubs and encouraged students to join different types of clubs.

Dr. K. Dinesh, HOD, Department of CST heartily invited Resource person for the One-day Hands-on training. He gave few words about the LaTeX Tool and thanked organizers and coordinators for conducting this event.

The sessions were delivered by **Dr. G. Naga Jyothi, Associate Professor, ECE Department, MITS**, an expert in the field of LaTeX Tool Hands-on Training. She started the session by extending her hearty thanks to the participants, organizing members, HoD, Principal, and Management of MITS Madanapalle for allowing her to share her knowledge and experience. The training provided an in-depth understanding of LaTeX, covering document preparation, formatting techniques, equations, references, and research paper writing using the tool.

A total of **56 students** participated in the program and actively engaged in the hands-on sessions. The participants gained practical knowledge on effectively using LaTeX for academic and professional documentation.

The event created an excellent learning platform for students to enhance their technical writing and research documentation skills. Faculty members and participants appreciated Dr. G. Naga Jyothi for her insightful session and interactive teaching approach.

The event concluded with a vote of thanks by the MITS Tech Club Faculty Coordinator. Students shared positive feedback, appreciating the usefulness of the session. The program stood out as a successful knowledge-sharing initiative jointly organized by the MITS Tech Club and the Student Activity Center (SAC).

Outcome of the Event:

- ✓ Participants gained practical experience in creating professional technical documents, research papers, and reports using LaTeX.
- ✓ Students learned how to format and structure academic content effectively, improving the quality and presentation of their M.Tech project reports and theses.
- ✓ The workshop provided real-time practice with LaTeX commands and templates, enabling participants to confidently use the tool in their future academic and research work.
- ✓ Exposure to LaTeX empowered students to prepare high-quality scientific documents with ease, enhancing their academic and professional writing skills.
- ✓ The session motivated students to adopt LaTeX for publishing research articles and technical papers in reputed journals and conferences.

Subject: Requesting permission to conduct a Technical Quiz on "Programming Languages" - Reg.

Respected Sir,

We would like to organize a **Technical Quiz on "Programming Languages"** on 29-10-2025 by **MITs Tech Club**. It is designed to equip students with fundamental knowledge of various programming languages and enhance their problem-solving abilities and logical challenges. So kindly I request to grant me permission to organize this event. It would be a huge favour to the students.

Thanking You

Yours Sincerely

(D. Abdul Jaleel)

Madanapalle Institute of Technology & Science (MITS) Tech Club has organized a **Technical Quiz on “Tech Spark”** on **29th October 2025**. The event was conducted under the banner of the MITS **Student Activity Center (SAC)** and was held from 1:00 pm to 3:00 pm on the college campus.

The objective of this event is to encourage students to enhance their technical knowledge and logical thinking skills through a competitive environment.

The Event started at 1:00 pm with a welcome address to all the participants by **Mr. D. Abdul Jaleel, Assistant Professor, Dept. of CST & MITS Tech club Coordinator**.

The quiz began with an inaugural address by **Mr. V. Naveen, Assistant Professor, Dept. of CST**, who gave a few words about the importance of such technical events and appreciated the efforts of the organizers and participants.

A total of **51 students** enthusiastically participated in the quiz, which was conducted in **three rounds**, Preliminary, Debugging, and Coding. After a competitive and engaging set of rounds, **winners and runners-up** were selected based on their performance.

The event concluded with a vote of thanks by **Mr. Abdul Jaleel D, Assistant Professor, Dept. of CST**. Participants appreciated the **Student Activity Center (SAC) and Tech Club**, this event emerged as a successful initiative of the **MITS Tech Club**, contributing significantly to the development of students' technical competencies.

Outcome of the Event:

- ✓ Students gained exposure to various technical concepts and problem-solving methodologies through different quiz rounds.
- ✓ Participants improved their analytical thinking, coding efficiency, and debugging skills.
- ✓ The event boosted student engagement and interest in technical activities beyond the classroom.

Subject: Requesting permission to conduct a Technical Seminar on **"Prompt Engineering and Modern Day AI Tools"** - Reg.

Respected Sir,

We would like to organize a Technical Seminar on **"Prompt Engineering and Modern Day AI Tools"** on 05-11-2025 by **MITS Tech Club** under **Student Activity Centre - SAC**. This event is designed for **B. Tech students** to enhance participants' understanding of **Prompt Engineering** and its vital role in effectively utilizing **modern AI tools**. Therefore, I kindly request your permission to organize this event and also request you to provide an appreciation certificate to the resource person on the institutional letterhead. This initiative would be a great benefit to the students.

Thanking You

Yours Sincerely

The MITS Tech Club has organized a technical seminar on “**Prompt Engineering and Modern AI Tools**” on 05.11.2025 (Wednesday) at 3:00 PM to 5:00 PM. Madanapalle Institute of Technology & Science (MITS) Tech Club has organized a technical seminar under the banner of the MITS Student Activity Center (SAC).

The Programme started at 3:00 PM with a welcome address to all the dignitaries, resource person and the participants by **Mr. Tabrez Basha, III Year CST Department**.

Syed Mushtaq Ahamed, Tech Club Student Coordinator, welcomed the dignitaries and participants. He also explained the importance of prompt engineering and modern AI tools.

Mr. D. Abdul Jaleel, Assistant Professor, Dept. of CST, MITS Tech Club Coordinator, briefly enlightened the students about the importance of prompt engineering and modern AI tools, highlighting how they can be useful for learning, innovation, and real-world applications.

The Student Activity Center (SAC) Coordinator, **Dr. G. Hemantha, Assistant Professor, Dept. of ECE**, shared her insights on the significance of the event and encouraged

students to actively participate, enhance their skills, and stay updated with emerging technologies.

The session on prompt engineering and modern AI tools was delivered by Mr. K. Ashok. He explained the practical applications and benefits of using advanced AI technologies. Students were introduced to real-time examples and demonstrations. The session helped participants understand how AI can support learning, productivity, and innovation.

A total of 55 students participated enthusiastically by asking questions and seeking guidance on various prompt engineering techniques and modern AI tools. The session provided valuable insights into real-time applications and encouraged students to explore innovation and creativity using emerging technologies. It also motivated them to experiment with AI- based solutions and enhance their technical skills.

The event concluded with a vote of thanks by **Mr. Mushtaq Ahamed Syed, Tech Club Student Coordinator**. Faculty members and participants appreciated the Student Activity Center (SAC) and Tech Club, making the program a successful knowledge-sharing initiative of the MITS Tech Club.

Outcome of the Event:

- ✓ Students gained a practical understanding of prompt engineering and how to interact effectively with AI models.
- ✓ Participants learned about various modern AI tools and their real-time applications in different fields.
- ✓ The session improved awareness of how AI can support problem- solving, productivity, and innovation.
- ✓ Students became more confident in using AI tools for academic, project, and research purposes.
- ✓ The event inspired participants to explore AI-based solutions and develop creative ideas.
- ✓ Overall, the talk enhanced technical knowledge and encouraged students to stay updated with emerging AI technologies.

Subject: Requesting permission to conduct a Design-A-Thon (Poster design) Event - Reg.

Respected Sir,

We would like to organize a **Design-A-Thon (Poster design) Event** on 08-01-2026 by **MITs Tech Club** under **Student Activity Centre - SAC**. This event is designed for **B.Tech II, III Year and II Year MCA, MBA & M.Tech CSE, VES students** to make them gain the knowledge and skills required to design and presenting a poster. Therefore, I kindly request you to grant the permission to organize this event from 2 pm to 5 pm. This initiative would be a great benefit to the students.

Budget for the event:

S. No.	Expenditure Details	Amount (INR)
1.	Winner up Prize money	1000
2.	Runner up Prize money	500
3.	Refreshment for the Panel	500
Total		2000

Hence, I request you to sanction the budget and grant the permission for conducting the event in a successful manner.

Thanking You

Yours Sincerely

Place: Madanapalle

Date: 03.01.2026

*Respected Sir,
Kindly permit us
to organize the
said above event
Sincerely
Abdul Jaleel*

Madanapalle Institute of Technology & Science (MITS) Tech Club organized a technical poster presentation event titled “**Design-A-Thon**” under the banner of the **MITS Student Activity Centre (SAC)** to encourage students to showcase their creativity, innovation, and technical presentation skills through poster design and presentation activities.

The event was conducted on **08th January 2026** at the **Scale-up Room, MITS**, from **2:00 PM to 5:00 PM**. The event aimed to provide students with an opportunity to explore emerging technologies and present innovative ideas in various technical domains.

The participants were welcomed by **Mr. D. Abdul Jaleel, Assistant Professor, Department of CST and MITS Tech Club Coordinator**, who highlighted the importance of technical poster presentations in improving students’ creativity, communication abilities, and practical understanding of modern technologies.

The event was inaugurated in the presence of **Dr. K. Dinesh, Associate Professor and HoD, Dept. of CST**, **Dr. G. Reddy Hemantha, SAC Co-Coordinator, Assistant Professor, Dept. of ECE**.

The event was organized under the guidance of the institutional management and SAC coordinators. The dignitaries appreciated the initiative taken by the Tech Club in conducting student-centered technical activities that enhance innovation and interdisciplinary learning among students.

The event themes included:

- Artificial Intelligence & Machine Learning
- Cloud & Edge Computing
- Quantum Computing
- ECE/EEE Emerging Technologies
- Mechanical/Civil Emerging Technologies

The 32 Students enthusiastically participated in the event by presenting innovative posters based on current technological advancements and real-world applications. The participants explained their ideas, concepts, and implementation approaches before the evaluation panel.

The posters were evaluated based on the following criteria:

- Innovation & Creativity
- Technology Integration
- Presentation Skills
- Explanation & Technical Understanding

The event created a platform for students to express their technical ideas creatively and improve their presentation confidence. The judges appreciated the efforts and innovative thinking demonstrated by the participants.

After careful evaluation of all the presentations, the best-performing teams were selected and awarded prizes.

Winner:

S Fahed Basha (24691A3253), P. Jahnvi Reddy (24691A32H5) & K Lohitha (24691A05Q5)
Department of **Computer Science and Engineering (Data Science)**.

Runner-Up:

R Saranya (24691A04N8), Saniya Hafsa (24691A04N6) – Department of **Electronics and Communication Engineering**.

The winners were recognized for their innovative ideas, effective implementation, and strong presentation of their solutions.

The certificates and prize money were distributed by the Mr. V. Naveen, Assistant Professor, Dept. of CST, Mr. M. Shankar, Assistant Professor, Dept. of CST and Mr. K. Ashok, Assistant Professor, Dept. of CST.

Outcome of the Event

- ✓ Students improved their creativity and innovative thinking abilities.
- ✓ Participants gained knowledge in emerging technologies and modern technical domains.
- ✓ The event enhanced students' poster design and presentation skills.
- ✓ Students developed confidence in explaining technical concepts before an audience.
- ✓ The event encouraged teamwork, collaboration, and idea sharing among participants.
- ✓ Participants learned how to present technical ideas in a visually effective manner.
- ✓ The Design-A-Thon promoted technical awareness and active student participation in co-curricular activities organized by the Tech Club.

Subject: Requesting permission to conduct a Technical Quiz - Reg.

Respected Sir,

We would like to organize a **Technical Quiz** on 23-02-2026 by **MITS Tech Club**. It is planned to equip students with fundamental knowledge of programming languages and enhance their problem-solving abilities and logical challenges. So kindly I request to grant me permission to organize this event. It would be a huge favour to the students. This event is planned for **B.Tech I Year students**. Therefore, I kindly request you to grant the permission to organize this event from 2 pm to 5 pm on 23rd, Feb 2026. This initiative would be a great benefit to the students.

Budget for the event:

S. No.	Expenditure Details	Amount (INR)
1.	Winner up Prize money	2000
2.	Runner up Prize money	1500
3.	Certificates & Medals	200
Total		3700

Hence, I request you to sanction the budget and grant the permission for conducting the event in a successful manner.

Thanking You

Yours Sincerely

Madanapalle Institute of Technology & Science (MITS) Tech Club has organized a **Technical Quiz on “Tech Spark 2.0”** on 23rd February 2026. The event was conducted under the banner of the MITS Student Activity Center (SAC) and was held from 2:00 pm to 5:00 pm on the college campus.

The objective of this event is to encourage 1st year students to enhance their technical knowledge and logical thinking skills through a competitive environment.

The Event started at 2:00 pm with a welcome address to all the participants by **Mr. D. Abdul Jaleel, Assistant Professor, Dept. of CST & MITS Tech club Coordinator.**

The quiz began with an inaugural address by **Mr. V. Naveen, Assistant Professor, Dept. of CST**, who gave a few words about the importance of such technical events and appreciated the efforts of the organizers and participants.

The Student Activity Center (SAC) Coordinator, **Dr. G. Hemantha**, Assistant Professor, Dept. of ECE, shared her insights on the significance of the event and encouraged students to actively participate, enhance their skills, and stay updated with emerging technologies.

A total of **19 students** enthusiastically participated in the quiz, which was conducted in **three rounds**, Preliminary MCQ's, Debugging, and Coding. After a competitive and engaging set of rounds, **winner and runner-up** were selected based on their performance.

After careful evaluation of the participants' performance across all three rounds, the following students secured the top positions in **Tech Spark 2.0**:

Winner: M. Jahnavi - 25MRA07042 from CSE-DS (I Year)

Runner-Up: R. Amrutha Janu - 25MRA07007 from CSE-DS (I Year)

Both students demonstrated excellent technical knowledge, logical reasoning ability, and strong problem-solving skills throughout the competition.

The event concluded with a vote of thanks by **Mr. Abdul Jaleel D, Assistant Professor, Dept. of CST**. Participants appreciated the **Student Activity Center (SAC) and Tech Club**, this event emerged as a successful initiative of the MITS Tech Club, contributing significantly to the development of students' technical competencies.

Outcome of the Event:

- ✓ Students gained exposure to **C programming language concepts** and practical problem-solving approaches through different quiz rounds.
- ✓ Participants improved their **coding efficiency and debugging abilities** by solving technical problems within limited time.
- ✓ The quiz helped students develop **analytical thinking and logical reasoning skills** while approaching programming challenges.
- ✓ The event encouraged **healthy technical competition** among first-year students.
- ✓ Students became more **confident in applying programming concepts** learned in their coursework.
- ✓ The event increased **student engagement and interest in technical activities beyond the classroom**, motivating them to participate in future technical events.

Subject: Requesting permission to conduct a Technical Hackathon on "Code Canvas"- Reg.
Respected Sir,

We would like to organize a **Technical Hackathon** on ^{24th} ~~23rd~~ & 26th Feb, 2026 by **MITS Tech Club**. It is planned to equip students' knowledge of Web Designing and enhance their problem-solving abilities and logical challenges in Website Designing. So kindly I request to grant me permission to organize this event from ^{3pm} ~~10 am~~ to ^{5pm} ~~12 pm~~ for the inauguration and 2 pm to 5 pm on 26th, Feb 2026 for the results announcement. It would be a huge favour to the students. This event is planned for **B.Tech II students** to make the them gain the knowledge and skills required to design a website.

Budget for the event:

S. No.	Expenditure Details	Amount (INR)
1.	Winner up Prize money	2000
2.	Runner up Prize money	1500
3.	Certificates, Medals & Refreshment for the Panel	500
Total		4000

Hence, I request you to sanction the budget and grant the permission for conducting the event in a successful manner.

Thanking You

Yours Sincerely

(Signature)

Madanapalle Institute of Technology & Science (MITS) Tech Club organized a Hackathon event titled “Code Canvas” under the banner of the MITS Student Activity Centre (SAC) to encourage students to develop innovative technological solutions and enhance their problem-solving abilities.

The inauguration of the hackathon was conducted on 24th February 2026, where the participants were welcomed by **Mr. D. Abdul Jaleel, Assistant Professor, Department of CST and MITS Tech Club Coordinator**, who highlighted the importance of hackathons in building creativity, innovation, and practical technical skills among students.

The event was inaugurated in the presence of **Dr. K. Dinesh, Associate Professor and HoD, Dept. of CST**, **Dr. R. Manikandan, Associate Professor, Dept. of CST**, **Dr. G. Reddy Hemantha, SAC Co-Coordinator, Assistant Professor, Dept. of ECE**, **Mr. V. Naveen, Assistant Professor, Dept. of CST** and **Mr. M. Shankar, Assistant Professor, Dept. of CST**.

The dignitaries encouraged students to actively participate in such technical activities and emphasized the importance of applying classroom knowledge to real-world problem solving.

Following the inauguration session, the **hackathon problem statements were explained to the participants**, and students were given **two days to design and develop web-based solutions** addressing the provided challenges.

A total of **20 teams (57 Students)** enthusiastically participated in the Hackathon, which was conducted in **2 days**. The **final evaluation and project demonstrations were conducted on 26th February 2026**, where the participating teams presented their solutions and explained their approach, implementation, and features.

The evaluation of the projects was carried out by **Mr. Anirudh C. S., Technical Lead Developer at Hysteresis Pvt. Ltd., who served as the jury member for the event.**

The projects were evaluated based on multiple criteria including:

- Problem Understanding

- Innovation and Idea
- Functionality
- Technical Implementation
- Presentation

After careful evaluation of all the submitted projects, the following teams secured the top positions.

Winner:

Team Strivers – Department of Computer Science and Engineering

Runner-Up:

Team Graminskill – Department of Computer Science and Technology

The winners were recognized for their innovative ideas, effective implementation, and strong presentation of their solutions.

The certificates and prize money were distributed by the SAC Coordinator, G. Reddy Hemantha, and Tech Club Coordinator, Mr. D. Abdul Jaleel.

Outcome of the Event

- ✓ Students gained hands-on experience in developing real-world problem-solving solutions.
- ✓ Participants improved teamwork and collaboration skills while working on projects.
- ✓ The hackathon encouraged students to apply theoretical knowledge to practical implementation.
- ✓ Students developed innovative thinking and creativity while designing solutions.
- ✓ The event promoted a healthy technical competition among students.
- ✓ Participants gained confidence in presenting their ideas and technical solutions.
- ✓ The hackathon increased student interest in future technical activities organized by the Tech Club.

Report on

Tech Club – Next Chapter

Organized by

MITS Tech Club under Student Activity Center (SAC)

on Tuesday, 21st April 2026

**Organized & submitted by: Mr. D. Abdul Jaleel, Assistant Professor,
Department of CST, MITS Tech Club Coordinator.**

**Student Coordinators: Mushtaq Ahamed Syed & Naga Nandini Mungara (III
CST-B)**

Participants: Tech club members

Venue: NPN 105, MITS

Mode: Offline

Madanapalle Institute of Technology & Science (MITS) Tech Club organized an event titled “**Tech Club – Next Chapter**” for junior students as a part of recognizing contributions and guiding the next generation of club members.

The event was conducted under the banner of the Student Activity Center (SAC) on **21st April 2026** at the college campus.

The objective of this event was to appreciate the efforts of Tech Club members, provide insights about the club’s activities, and encourage juniors to take forward the legacy of the Tech Club.

The event began with a welcome address by the student coordinator, followed by a brief overview of the Tech Club journey, highlighting various events and activities conducted throughout the academic year.

The **Head of the Department (CST), Dr. K. Dinesh, Associate Professor**, attended the event and addressed the students. He appreciated the efforts of the Tech Club members and encouraged juniors to actively participate in technical activities and enhance their skills beyond academics.

Certificates of appreciation were distributed to the Tech Club members in recognition of their dedication, contribution, and active participation in organizing various events throughout the academic year.

The presence and encouragement of the HOD added significance to the recognition ceremony.

The event concluded with a vote of thanks by **Mr. Abdul Jaleel D, Assistant Professor, Dept. of CST**. Participants appreciated the **Student Activity Center (SAC) and Tech Club**, this event emerged as a successful initiative of the MITS Tech Club, contributing significantly to the development of students' technical competencies.

Outcome of the Event:

- ✓ Students gained awareness about the activities and opportunities provided by the Tech Club.
- ✓ Juniors were motivated to actively participate in future technical events.
- ✓ The event helped in smoothly transferring knowledge and responsibilities to the next batch.
- ✓ Members felt recognized and appreciated for their contributions.
- ✓ It strengthened the continuity and sustainability of the Tech Club.
