Attended Students and Faculty:

Faculty:

- Dr . K. Dinesh, Assoc. Professor of CST.
- Dr . P. Athahar Samina Khan, SAO (Student Welfare).
- Mrs. Vijaya Lakshmi, Head of foreign department.
- Mr. P. Firoz Khan, Assistant professor of CST department.
- Mr. V. Naveen, Assistant professor of CST department and Event co-ordinator.

Students:

Nearly 150-180 Participants from various departments includes AI&DS, Civil, ECE, EEE, CST & Mechanical

200 Students registered for this event from various departments includes AI&DS, Civil, CSE, CST, ECE, EEE & Mechanical.

Introduction about UIRPA club:

In SAC-MITS, the UIRPA club is a relatively new club. Mr. P. Firoze khan, an assistant professor in the CST department, serves as the club's faculty counsellor. from AI 3rd Year B. Tech serves as the club's student coordinator.

In UIRPA club every event begins with an introduction class where we give information about robotics and automation and motivate them to learn more and make them realise how important it is to understand our present technology which is being developed day by day with increase in people's knowledge. We motivate them to learn more about this automation through our class which we are going to take during our event.

Further we are going to conduct workshop on this robotics and we try show live bots which were created by our club members and encourage them that they can also try to do.

Objective on workshop of robotics:

The main objective of this event is about our club inauguration to motivate students and guide them for further steps to learn and practice about automation which we are going to conduct in further workshops.

UIRPS CLUB

(User Interface Robotics Process Automation)

Inauguration:

The event began with a lighting and pooja ceremony by Dr. P. Ramanathan sir vice principal, Mrs. Vijaya Lakshmi Head of foreign Department, Dr. K. Dinesh Assistant professor of CST Department, Mr. P. Firoze khan Assistant professor of CST department along with some Students. And a prayer sung by R. Kalyani from CST-II Year B.Tech.

Following the pooja ceremony, each dignitary offered their speeches to inspire the students related to their careers and importance of skills in the industries.

Speech by Mr. P. Firoze khan Assistant prof of CST:

Interacting with the Students, Mr. P. Firoze Khan sir Assistant professor of CST department explained the goal of the UIRPA (User Interface Robotic Process Automation) club is to improve one's knowledge about present AI technologies. Sir also explained about the current popular technologies like AI and ML. He inspired students to learn new things and use the UIRPA club to its fullest potential.

Speech by Senior Administrative Officer (Student Welfare):

Followed by speeches from the Dignitaries, Dr. P. Athahar Samina Khan Madam, Senior Administrative Officer (Student Welfare Office) congratulated the UIRPA coordinators and volunteers for the efforts they have put for the club. Mam given a glimpse of ideas on the purpose of the club and suggested students to indulge the knowledge from UIRPA club and explained about Student Council. Mam mentioned some important messages for all the students and best wishes for the club.

Speech by Mrs .Vijaya Lakshmi madam:

Followed by the speech by Mrs .Vijaya Lakshmi mam, Senior Manager International Relations & Students' Counsellor . Mam shared her view of learning from only class which is traditional format, and that knowledge is like a skeleton and learning from both the classes and from club activities that knowledge is like a perfect human. She explained about the importance of acquiring knowledge through the concepts and insisted students learn and make best for the club. And she promised his support for the club would be always there for the aid of the club. Mam explained how these club activities have been helpful in future placements and it's going to help in case of studies.

Speech by Mr .K .Dinesh sir:

Next the speech by sir, Mr .K .Dinesh sir Assistant professor of CST. Sir, interacted with the students, and he guided them to be disciplined and told them about the importance of self-learning. And motivated students through his enthusiastic words.

Speech by Dr. P. Ramanathan sir, Vice principal:

Then speech by Dr. P. Ramanathan sir, Vice principal. Sir spoke about the importance of learning present technology and making best usage of these skills in the fields of freelancing and cheered students to follow up the club activities and given his best wishes to the club. Sir expressed his thoughts about present technology is growing day by day, and encouraged everyone to learn more by his valuable words.

Oration by Mohammed Mateen Hussain:

S. Mohammed Mateen Hussain, the coordinator of the UIRPA club, took over the session and discussed how Robotics works, the pay structure for Robotics developers, the many roles of Robotics developers, and how much money Freelancers are earning through this RPA.

Winners

Quiz:

1. Venkata Ramana. M
2. Maazshareef Mahammad
3. Manohar Reddy. P

Drawing:

1. Shaik. Syeda Banu
2. R. Prathapkumar

Prize distribution

Thank You

We express our sincere thanks to the principal sir, Vice Principal sir, the Management, Dr. Sree Devi Madam HoD of CST, Dr. P. Athahar Samina Khan Madam, SAO (Student Welfare), Mrs. Vijaya Lakshmi madam (Head of foreign department), Faculties for their support and encouragement in organizing this event.
