Report on the event of Film Makers Club:

Film Makers Club, Madanapalle Institute of Technology & Science organized an event for the students of 1st year, 2nd year, 3rd year and 4th years of all the branches on October 09, 2017 in the Seminar Hall A.

The event started with the Welcome address, introduction and activities of the club by the club coordinator Athiq of 3rd year Mechanical. Then it was further carried by M.Rajesh Reddy with his beautiful speech and highlighted about the events happened in the previous days and gave a brief introduction on the competitions that are being held that day. After the speech of the respected dignitaries, the club coordinator explained about the competitions that are being held and told how to proceed with them. The competitions were on the video making of cover songs on a retro theme. Everyone whoever made the videos provided the required links or the videos to the club members. Then they were watched by the honored guests along with all the students present over there. The best was selected and awarded with prizes for their encouragement.

The idea behind organizing this event is to brush the students' skills, their creativity and the interest towards their passion.
