

## Film Maker's Club – CINE CRAFT (28-12-2023)

### Report:

'CINE CRAFT' is an event to enhance the student skills in acting, Photography, Script writing, Editing etc... Our main motto is to encourage the students in various activities apart from the academics. For that we conducted various activities like...

1. Acting Contest
2. Reels Contest
3. Photography Contest
4. Script Writing

We had a thought of doing this activity so, at that time we approached our Faculty Co-Ordinator Mr. Riyaz Ali MD sir and we expressed our thoughts to him. He gave permission to conduct this event after that we approached Student Activity Club Co-Ordinator Dr. P. Athahar Samina Khan and beloved principal Dr. C. Yuvaraj sir. They gave permissions to conduct this event with some rules and regulations. And later we went for the promotions through online and offline with our club members.

After the promotions we got 180 registrations from that we short listed 80 participants. With that 80 participants we conducted event in Seminar Hall-A on date 28/12/23 from 1pm to 4pm.

We invited our SAC Co-Ordinator to the Inauguration ceremony. After Inauguration we conducted our contest. We had completed all our competitions by 4pm. Later we distributed prizes for winners and participation certificates for winners and participants in the presence of principal sir Dr. C. Yuvaraj.
