DATE: 27.02.2017

## OFFICE ORDER

The Institute had constituted the Ethics Committee on February 27<sup>th</sup>, 2017 to look into matters related to deception and to promote the Academic Integrity, and prevention of plagiarism. This committee will also suggest/implement the Ethical usage of animal/animal samples, chemical and bio-chemical samples for research purposes if required.

The objectives of the committees are as follows:

- To create academic awareness about responsible conduct of research, study, project work, assignment, thesis, dissertation, promotion of academic integrity and prevention of misconduct including plagiarism in academic writing among students, researchers, faculty and other members of academic staff as well as any employee of the Institute.
- To establish institutional mechanism through education and training to facilitate responsible conduct of research, study, project work, assignment, thesis, dissertation, promotion of academic integrity and deterrence from plagiarism.
- To develop systems to detect plagiarism and to set up mechanisms to prevent plagiarism and punish a student, faculty, or staff of Institute committing the act of plagiarism.
- To establish Zero tolerance policy in core areas, to check Plagiarism in non-core areas and in detection, reporting and handling of plagiarism
- To review and approve research proposals involving lab animals
- To provide suggestions for modification of the proposals wherever necessary
- To ascertain ethical use of animals and protection of well-being of animals during and after research

## OFFICE ORDER

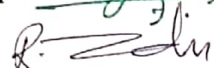

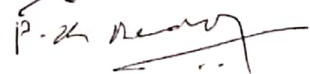

The Institute has constituted the IPR Cell on Oct 6<sup>th</sup>, 2015 to scrutinize matters related to Designs, Patents, Trademarks and any other issues related to Intellectual Property.

The objectives of establishment of IPR Cell are as follows.

Through this IPR cell, Madanapalle Institute of Technology & Science (the "Institute"), intends to put in place a system that brings order to the process of protection of inventions, and the utilization of inventions through processes of technology transfer and entrepreneurship. Within the above broad objectives, the specific objectives of this IPR are as follows:

- Undertake the mining, identification, and location of IP in the various research, consultancy, educational, and all other academic activities of the Institute.
- Encourage, create awareness, and facilitate the process (es) of securing and protecting the IP rights by conducting regular workshops for all Institute personnel and other participants.
- Initiating and pursuing all actions and deeds to maintain, prosecute, and keep in vogue the secured IP rights of the Institute; and
- Pursuing all the necessary procedures and actions to facilitate, catalyse, and bring to bear the Transfer of Technologies (ToT), including the commercialization, licensing, and other means of disseminating the technologies developed by the Institute.

The following are the members of the IPR cell:

<u>Name</u>	<u>Position</u>
Dr. C Yuvaraj, Principal	Chairman 
Dr. R. Thulasiram Naidu	Member 
Dr. C Kamal Basha	Member 
Dr. S.A.K Jilani	Member 
Dr. D. Pradeep Kumar	Member 
Dr. M. Sreedevi	Member 
Mr. P. Ramesh Reddy	Member
