About MITS

Madanapalle Institute of Technology & Science is established in 1998 in the picturesque and pleasant environs of Madanapalle and is ideally located on a sprawling 26.17 acre campus on Madanapalle - Anantapur Highway (NH-205) near Angallu, about 10km away from Madanapalle.

MITS, originated under the auspices of Ratakonda Ranga Reddy Educational Academy under the proactive leadership of Dr. N. Vijaya Bhaskar Choudary, Ph.D., Secretary & Correspondent of the Academy and Mrs. N. Keerthi, Executive Director. MITS offering UG courses such as ME, Civil, CST, EEE, ECE CSE & Allied Branches and PG programmes are MBA & MCA. The college is awarded ISO 9001: 2015 certification for the quality policies and also accredited by NBA and NAAC A+. MITS ranked in the band of 251 – 300 in the NIRF 2022 under the engineering discipline. The campus comprises of aesthetically designed buildings that are networked by Wi – Fi technology. The institution is established with the well-equipped workshops and laboratories, computer with internet facilities, smart classroom, seminar halls, auditorium, library and sports facilities that provide an excellent learning environment for the students.

MITS is governed by a progressive management that never rests on laurels and has been striving conscientiously to develop it as one of the best centres of Academic Excellence in India. The Institution's profile is firmly based on strategies and action plans that match changing demands of the nation and the student's fraternity. MITS enjoys constant support and patronage of NRI's with distinguished academic traditions and vast experience in Engineering & Technology.

About the Department

The Department of Computer Science & Technology (CST) was established in the year 2018 and plays a vital role in producing value-based professionals to cater to the ever-challenging needs of technical excellence in the emerging areas of CST. The department offers one UG program with an intake of 60 students and it was enhanced to 180 seats in the year 2019. Department has adequate infrastructural facilities required for imparting high quality education and the department is fully structured to meet the contemporary needs of the industry. Imparting high quality education is supported by well qualified and experienced faculty members with rich academic and industry exposure, who have pursued Masters/ Ph.D. degree from prestigious institutions like NITs, IITs, and Central Universities within India and abroad. Seminars, Workshops, and Technical Symposia are conducted in the department to keep faculty and students updated with latest developments in various technologies. The student strength of the department is around 600.

About FDP

The significance of NBA accreditation is integral to fostering continuous improvement in Engineering Education Institutes. This Faculty Development Programme (FDP) is designed to meet the demand for comprehending the benefits of NBA Accreditation and OBE along with a thorough understanding of its complete process and evaluation.

Objective of FDP

The primary goal of this Faculty Development Programme (FDP) is to provide comprehensive education on the entire NBA Accreditation process to faculty members and Research Scholars.

Session Topics

- Pre-qualifier Preparation and Submission
- Overview of NBA
- Criterion 2: Program Curriculum and Teaching-Learning Processes
- Criterion 3: CO-PO Mapping Rubrics, Exam Conduction, Evaluation & OBE
- Criterion 4: Students' Performance
- Criterion 5: Faculty Information and Contributions
- Criterion 6: Facilities and Technical Support
- Criterion 7: Continuous Improvement
- Institute level Preparation

Targeted faculty

Teaching faculty of various engineering colleges from AICTE and Research Scholars.

Outcome of FDP

After the completion of the program the participants will be able to:

- Recognize the concept and process of NBA accreditation, along with its significance.
- Comprehend the norms and standards applicable to Engineering programs.
- Gain insight into outcome-based education and the curriculum outcomes for Engineering programs.
- Familiarize oneself with the parameters, criteria, and proforma associated with institutional accreditation.
- Acquire an understanding of institutional readiness for NBA Accreditation.
