## About MITS

Madanapalle Institute of Technology & Science (MITS) was established in 1998 in the picturesque suburbs of Madanapalle, Andhra Pradesh. MITS was founded by Ratakonda Ranga Reddy Educational Academy under the leadership of Dr. N. Vijaya Bhaskar Choudary, Ph.D., Secretary & Correspondent. MITS is governed by a progressive management that has been striving conscientiously to develop it as one of the best centres of academic excellence in India.

The institution envisions to become a globally recognized research and academic institution and thereby contribute to technological and socio-economic development of the nation. It operates based on strategies and action plans that match changing demands of the nation and the fraternity of students and researchers.

MITS is accredited by NAAC with A+ grade and its departments are accredited with high scores by NBA. MITS is recognized as a Scientific and Industrial Research Organization (SIRO) by the Department of Scientific and Industrial Research (DSIR) of Department of Science and Technology, Government of India.

## About the Department

The Department of English & Foreign Languages strives to equip students with professional skills required to excel in their field through effectively structured syllabi that satisfy the dynamic needs of employers and higher academic institutions. The department has highly qualified faculty members with their PhDs awarded by reputed institutes. The College Academic Council and the Board of Studies of the Department strive to provide quality education to help students achieve their dreams. The department also adds value to the student experience by organizing cultural and literary events.

## The Event

The two-day conference-cum-workshop will provide a unique international level opportunity to hold an in-depth discussion on recent trends in the field of English literature and English Language Teaching. This programme shall be helpful for the faculty members, educationalists, and researchers to participate and exchange their valuable thoughts in the field of literature and contribute towards formulating effective strategies in teaching English language and to meet the global standards of higher education.
